ARE YOU LOOKING FOR AN EXPERIENCE ON A NON-PROFIT BOARD?

MFC Tie-Dye Inc. is a 501c3 non-profit organization on a mission to reduce global textile pollution through reuse and upcycling. Our organization works to create upcycled denim and tie-dye products out of textile waste sent to Ghana from the Global North and facilitate living wages for artisans within the creative economy in partnership with the Matilda Flow Inclusion (MFI) Foundation, a non-profit community-based organization in Greater Accra, Ghana. We also collaborate on research, education, and art advocacy projects around issues of pollution and environmental injustice.

MFC is recruiting board members and project advisors with experience or expertise in the following areas: management, finances, administration, advocacy, environmental justice, upcycling, marketing, fundraising, and design.
